Joanna,

Chris said she spoke to you about demobe and you said No and it was not a scheduled demobe. Where in the contract does it say we have scheduled demobes? I requested that travel costs be covered for demobe not travel time, in the contract it reads pretty clearly in Section B.C.2 that the contractor should be reimbursed.

I'm not making a stink but would like better justification than No and it's not a scheduled demobe.

Thanks
